## PROPOSED TRAVIS FUNDING

Alberta Transportation created a committee to help determine the funding model that will be used in TRAVIS. This committee is comprised of Industry Representatives, Municipal Representatives, and Provincial Representatives. The TRAVIS Fee Committee has suggested to the following:

1. Flat Municipal Permit Fee
  - Industry to pay a \$15.00 fee and these funds remitted back to the Municipality. (\$9.00 for Approval / \$6.00 for Data)
2. Weight X Distance GVW Fee Sharing
  - Charge a Weight X Distance GVW fee of \$0.021 and allocate the fee to the Municipalities, prorated based on the distance of travel within that Municipality.
3. Implement Axle Fee Multipliers (Season and Road Surface)

Season	Road Surface
2.0 X for Spring Season	1.0 X for Paved Roadways
1.5 X for Summer Season	2.0 X for Unpaved Roadways
1.0 X for Fall Season	3.0 X for Oiled Surface Roadways
0.5 X for Winter Season	

The suggestions from the TRAVIS Fees Committee must be approved at a Ministerial Level before any regulations and legislation changes can occur, this has yet to occur.
