

ROADATA ACCOUNT REQUIREMENTS

Roadata Services Ltd. (RDS) automatically establishes credit card payments as the method of payment for all new clients.

Clients may establish an account with Roadata Services Ltd. that will provide monthly invoices with detailed breakdown of permit cost by unit number.

Accounts will be available to clients that meet the following criteria:

- Client must obtain in excess of 10 permits per month
- Must provide a credit card number that will be stored in our secure and encrypted database for payment of overdue accounts OR may be asked to provide credit references.
- Unit details and all annual permit numbers must be provided to RDS.
- Clients will provide updates to weight, unit and vehicle registration information

Accounts may be revoked based on:

- Inactivity for over 6 months
- Account restrictions being placed on an account due to non-payment

If an account is revoked, the client must provide payment via credit card for every RDS Transaction.
